

Tomas Pinter

15 Millwood Crescent Kitchener ON N2P1X3 (226) 606-7451 – tamaspinter13@gmail.com

Objective:

Seeking a role in full-stack development where my previous experiences can aid in not only my growth but the entire team's success. Looking to work as a team to accomplish both team oriented and individual goals in web development.

Experience: Starbucks Selection

September 2011 – 2022, Gordon Food Service, Milton Ontario

- Experienced in selection, loading, and support functions and roles.
- Great self-starter as well as a group motivator
- Prior experience in working with daily JIT shipments and their P.O's and functions and computer software.
- Keen attention to specifics and professionalism in my work.

Quality Inspector

January 2011 – August 2011, Camcor, Guelph Ontario

- Work is done on rotating shifts.
- Checking Ford camshafts for visual defects as well as using various gauges for specific tasks.
- This position requires good teamwork skills as there are multiple inspectors who must work well together to keep the lines going. As well as a good eye for detail in inspecting the parts.

Sales Reset Team

Spring 2010 - Fall 2010, T&F Sales, Mississauga Ontario

- All work revolved around night shifts once Home Depot closed for the evening.
- Duties ranged in the use of power tools to construct displays and manage bay interiors for various products.
- This position required good time management and focus on the task at hand.

Education Sheridan College, Brampton Ontario

Fall 2010 - Summer 2012

- Police Foundations

Sheridan College , Brampton/Online

Spring 2017 – Ongoing

- Leadership Development Series

University of Toronto Continuing School of Education

January 2023 - April 2023

- Full-Stack Development

Interests: I enjoy soccer in my free time as well as the outdoors, going on hikes and car trips. I also spend time reading not only books but about technology and nature articles because learning new things has always been a passion of mine.
